## Weekly Headlines

### Parent Governor needed!

Please see today's letter sent home re governor recruitment. Our Governors do an amazing job – we'd be delighted if you were able to contribute to the Elm Park team!

### STEM Invitation

Do you work in the area of STEM (science, technology, engineering or maths)? If so, we would love your help! We will be holding a whole school STEM morning on Thursday 13th December and we are looking for people to join us for a short assembly in the morning. We would like you to share a few sentences about what your job involves so that the children are informed and inspired about jobs in this area.

If you think you may be able to support us with this, please get in touch with Mrs Lugg or the school office. Many thanks

### The Underfunding of our Children's Learning

Please see the letter sent home today regarding the budgets for schools in our area of the country. I'm sure many of us have been watching the BBC programme on South Glos CSET schools and may also have read the Bristol Post's related article this week.

Please see the links in the letter and help us to support every child's schooling.
