Inspiring Learners, Enriching Lives, Achieving Together

24th May 2018

Dear Parent/Carer

Deanfield Camp 17th - 19th October 2018

Further to our letter requesting deposit payments and authorisation to attend camp, we have now been able to calculate the final costs.

- The cost of the trip will be **£206.00 minus your deposit**. The final date for payment will be **Friday 25th June 2018**.

Further details, including medical forms and room choices are attached. Please complete and return to office as soon as possible.

Any medicine/inhalers etc. that your children will need to take on camp, should be brought into school **before** the summer holidays. They should be clearly labelled with your child's name and dosage required. If you need to discuss any medical problems with myself, please do not hesitate to do so.

Please find below a slip for your child to fill in, requesting whom they would like to share their room with. As most of the rooms have only 4 beds in them, we can only do our best to ensure that they are able to have at least one of their choices but cannot make any promises. The children will be told which room they have been allocated when they arrive at Parkend (and not before!)

If you have any queries or concerns regarding the forthcoming trip, please do not hesitate to contact me.

- Yours sincerely

Joanne Harris
Health and Safety Co-Ordinator

Dean Field Study Trip 17th-19th October 2018

I (Your name)..... would like to share my room with:

1st Choice..... 2nd Choice.....
