Head's Notes

Huge thanks to Mrs Walsh and all her running colleagues for organising this week's wonderful Monday morning community event. It was brilliant to have all the DW Fitness trainers and the Olympians with us for the morning. Thanks to all who contributed and took part. I very much enjoyed *running* at the back with the super-fit toddlers and the buggies .. and I could *almost* keep up!

Thanks and congratulations to Mrs Walsh on an amazing start to a week. *NB The cogs are now turning re the whole-school running / daily mile possibilities to explore for next year.*

Thanks to all staff and parents involved in last week's discos. I'm sorry I was ill and missed this one ..but I heard positive feedback once again from adults and children alike. Thanks again to all the PTA parents for giving our Y6 pupils a great last disco experience at EP.

Please remember that tomorrow is our Summer Fair. I look forward to seeing lots of families there in the sunshine forecast. Thank you to the PTA team once again .. who are busy prepping in school as I write this message to you. It takes a huge effort to put such an event on and every little bit of help makes a great difference to holding a successful school event. THANK YOU!

Please note that NEXT WEEK'S OPEN CLASSROOMS are postponed until September. Our New teaching staff are here on Monday and Tuesday to ensure that our class handovers are comprehensive and effective before they plan for September learning.

PLEASE SEE the details of your child's allocated class and the information around our staff team that are being sent home today.

Final Warning Time Dens & Bases ☹️

We are having increasing concerns and reported incidents around silly, aggressive and near-dangerous play during lunchtimes.

Children have been told today that any 'raiding' is prohibited, pulling people from trees is not appropriate and that this is our final warning.

Any further incidents or risks of injuries will immediately result in Mrs Bond and I deciding to make these areas OFF LIMITS for the rest of term. It would be sad to do this BUT APPRIOPRIATE BEHAVIOUS AND SAFETY ARE OUR PARAMOUNT CONCERNS AT ALL TIMES.

Best wishes for a great Fair and a lovely weekend, Mr Evans

Coming Soon ... Key Dates
