5th July 2018

Dear Parents

Dean Field Study Centre Trip – 17th to 19th October 2018

With the departure date getting nearer, there are just a few reminders that we need to make. The children are covered by our general insurance, but please note that any non-attendance on the camp due to illness must be validated by a doctor's note or letter. Should you need to cancel it is important to note that an excess will be deducted from the total amount paid.

It would be really useful if all pocket money (£3.00 in a named, sealed envelope) and medicine is brought into school before the camp. Please find attached an additional Dean Field medical form to be returned ASAP. As always, please label everything with your child's name. If your child is bringing medicine to camp, it will be kept in a central area to cover health and safety requirements and an additional form has to be completed to allow members of staff to either administer or monitor the taking of the medicine. Please don't forget this also applies to travel sickness tablets for the return journey.

Please find attached a kit list for Dean Field. The quality of the waterproofs and wellingtons that are supplied is excellent and that the children will not need to bring their own. Clothing should be old as, depending on the weather, the children will get very muddy.

Travel times and details will be given after the summer break but in the meantime please do not hesitate to contact us if you have any concerns about any of the above.

Yours sincerely

Joanne Harris
Health & Safety Officer
