Week 1 matters

Welcome back and Happy New Year to all

Our 6 week Term 3 has started quickly as we all get back into the habit of school life. Our children have managed this very well .. although many are flagging and needing a good rest at the end of today!

Mrs Bond is back!

We are delighted to have Mrs Bond (our wonderful SENCo and Deputy Headteacher) back. Mrs Bond is building up to full-time over this term and her working days are nearer the start of the week at this stage. She will rightly be concentrating on work around her pupils with SEN needs as a priority during the initial weeks of this term. Please note that Mrs Bond's work schedule is timetabled during this time and that she will no longer be available for unscheduled drop-ins of a non-urgent nature.

Making Appointments - reminder

For all general pupil queries and day to day concerns / conversations your first port of call is your child's class teacher. If you are unable to see your child's teacher at the start or end of the school day to make an appointment, please contact the office.

The office staff will need to ask you for some information relating to your issue. They will direct your request to the appropriate member of staff who will then contact you soonest. This will usually be your class teacher. Please remember that our office staff are professional colleagues who deal with confidential matters throughout their working days. Please work with us and provide our staff with sufficient information in order for them to help you quickly and in the best way possible.

This process is not new, but is being refreshed at the start of the year to ensure that multiple meetings are not being held in order to arrive at the right destination. This will help us to help parents faster and more effectively. It will also ensure that our staffing capacity to support your children is maximised.

Next week: Boys and Girls Football, Swimming and Running updates...
