***EXCITING NEWS ABOUT OUR SCHOOL ....***

## Special School News ..

Dear Elm Park,

Dydd Gŵyl Dewi Hapus!

It is indeed a very happy St David's Day for all of us at Elm Park ... **as this week the council unveiled their plans for a potential £4.9m rebuild of our school** (as part of an overall £78m investment in schools programme).

The partnership work between our Governors, Senior Leaders and the Local Authority around Buildings and Premises requirements at Elm Park has identified our school's priority need for significant renewal and investment. Although this is only currently at consultation stage, we are delighted to be identified in this fashion and we can all afford to be just a little bit excited by the prospect of Elm Park 2.0 in the future!

**At this stage we will all have many more questions than we do answers. Final decisions will be taken on 7 March and, if approved, we will be working with the Council's Property Services Team to work up the detail of the scheme, including timescales. We will of course keep you in the loop if (and hopefully as) the plans progress.**

Best regards  
Andrew Evans
