Inspiring, Enriching, Achieving

4th January 2021

Dear Families,

Apologies for the delay in sending this email. Sadly, our email server has crashed due to the high national usage and we have been attempting to send it for the past hour!

I am writing this as the first of many updates over the course of the next 24 hours. As you are aware, the Prime Minister has announced that all schools will close with immediate effect. Due to the short notice that all schools have been given, our school will be **closed** to all children tomorrow to enable teaching staff to re-plan lessons for remote learning. As per our remote learning offer (attached) tomorrow will be day 1 of the offer, which is child led independent learning. From Wednesday 6th January, structured home learning will commence. We will also be opening our key worker provision on Wednesday.

If you are a key worker and require **EMERGENCY** childcare for tomorrow, we have a very limited number of spaces available. Please click on the link https://docs.google.com/forms/d/e/1FAIpQLSeG8BmH-6aMcX1t7TrcxLPb3DhFy9p1o1I9r7uYVQLmagu3sg/viewform?usp=sf_link to complete a short form requesting a space. This **must** be completed by 7:30am on 5.1.21 to ensure your child has an **emergency space** for the day. **Please only use the space tomorrow if you have absolutely no other alternative.**

A questionnaire for our formal key worker provision will be sent out tomorrow morning, where key worker families can book a space from Wednesday onwards.

Further updates about home learning will be provided tomorrow.

Many thanks for your continued support.

Carol Bond
