Public Sector Equality Duty

The Equality Act 2010 requires us to publish information that demonstrates that we have due regard for the need to:

Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Equality Act 2010

Advance equality of opportunity between people who share a protected characteristic and people who do not share it

Foster good relations between people who share a protected characteristic and people who do not share it.

Elm Park Primary School is an inclusive school where we focus on the well-being and progress of every child and where all members of our community are of equal worth. We believe that the Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups.

Our approach to equality is based on the following key principles:

1. All learners are of equal value
2. We recognise and respect difference
3. We foster positive attitudes and relationships and a shared sense of cohesion and belonging.
4. We observe good equalities practice in staff recruitment, retention and development.
5. We aim to reduce and remove inequalities and barriers that already exist.
6. We have the highest expectations of all our children.

Information on pupils by protected characteristics

The Equality Act 2010 protects people from discrimination on the basis of protected characteristics. Every person has several of the protected characteristics, so the Act protects everyone against unfair treatment.

In order to ensure that all pupils are protected from discrimination, the school collects information on protected characteristics.

Information on other groups of pupils

In addition to pupils with protected characteristics, we gather further information on the following groups of pupils:

Pupils eligible for Free School Meals (FSM)

Pupils with Special Educational Needs (SEN)

Pupils with English as an Additional Language (EAL)

Young carers

Looked after children

Other vulnerable groups

It may be possible to identify individuals from the information provided when the number of pupils with a particular characteristic is low and the information is sensitive personal information. In these cases we have indicated this by an asterisk*.
