Our new school update

The children now have little windows that they can look through to see the building updates! The cranes are due to arrive next week to help install the wooden frame!

Note from Mrs Bond...

It has been a delight to watch such smartly dressed and well behaved children coming into school every morning.

Inspiring:

Acorns class are in full time and have joined the whole school for assemblies. It is lovely to watch their confidence blossom as they enter into Key Stage 1 playground for break times and lunch times.

As the weeks have progressed, our year 5 and 6 children have been truly inspired by a visit to the Bath Literature Festival. They were able to listen to a truly inspiring author – Michael Rosen. It is fair to say that the children were buzzing when they returned.

Enriching:

This morning, our year 5 children excitedly clambered onto the bus as they ventured to Deanfield. Although the weather has not been at its best, I am sure the children will have had an excellent time. This evening, they are returning to school to enjoy an action packed evening of entertainment.

In a few weeks' time, we will be joined by a very famous artist. His name is Bacon Bear. He will be coming into school to work with some of our children to create a mural on the site boards. Our year 6 children will learning how to design and use spray paints to create a huge piece of art work. I cannot wait to share the final results!

Over the course of the next few weeks, we will be sharing dates of trips for our younger children. We are hoping to visit: Arnos Vale. The Living Rainforest and a walk around the local area. We are also excited to announce that we have a visit from a Pantomime coming to Elm Park!

Achieving

I was very privileged to join our PTFA for their AGM last week. Sadly, we had very low numbers and even after a last minute plea, only 5 people attended. The PTFA raises vital funds which are used to enhance our children's experiences at school. On Thursday 6th October at 6:30, we will be hosting a virtual emergency PTFA meeting. The link will be sent out nearer the time. Please come along and join the virtual meeting so that we can continue to offer the amazing opportunities we have planned.

Wishing you a restful weekend.
