- 24.04.26 – Bang day activities (Y4 – Y6)
- 25.04.26 – PTFA Frome Valley 10k and Colour Run
- 30.04.26 – Oak Class parent lunch – 12:20pm
- 05.05.26 – Class photographs
- 05.05.26 – PTFA meeting – 7:30pm
- 11.05.26 -Start of Y6 SATS week

Important notice

Reminder: Please can you make sure that you are not using your mobile while on school property. This includes the school playground. Many thanks.

Thank you to all our staff for planning and delivering such a wide range of learning experiences for the children.

Thank you to our Y6 children for being amazing egg hunt helpers.

Inspiring Learners

In Design and Technology, the children have been doing some fantastic hands-on learning this term. Year 1 and 2 have been developing their food preparation skills by making their own sandwiches - learning how to spread, layer ingredients and make healthy choices. They have also been practising safe food handling and discussing which ingredients they enjoy most. Year 3 have been busy peeling and chopping vegetables to create a delicious soup, building their confidence with kitchen tools and techniques. This afternoon, Year 5 and 6 have filled the school with the wonderful aroma of biryani curry. They needed teamwork and careful chopping and measuring, as well as learning how to follow a more complex recipe. Maybe the children will be able to show you their new skills in the kitchen at home!

Enriching Lives

Yesterday, our school was filled with excitement as we held our annual Easter egg hunt. Our Year 6 children did a fantastic job hiding the eggs around the playground and conservation area. Pupils from all classes had a wonderful time searching high and low and there were plenty of smiles as eggs were discovered throughout the afternoon.

After the closure of the Greenfield Club, we are delighted to be working in partnership with Progressive Kids, who will be providing after school care from Term 5 onwards. It was great to have so many families at the introduction meeting yesterday. Please look out for the separate email that will give details of how to book and contact information.

Achieving Together

Last week, we were delighted to host a very successful Willow Class parent lunch. It was wonderful to welcome so many parents and carers into school to share this experience with the children. The pupils thoroughly enjoyed having their families join them and they showed excellent manners and pride in their school. Thank you to everyone who attended and helped make the event such a positive occasion.

Please remember to support the Frome Valley 10k and Colour Run on Saturday 25th April. If you can spare an hour or two on the day or are able to provide cakes for the event, we would really appreciate it. After this event, our brilliant PTFA team will be moving on to plan the Summer Fayre. Many hands make light work and we would love to see as many people as possible at the next PTFA meeting on 5th May. Whether you can offer support in a large or small way, please come along to the meeting to share ideas, meet the team and enjoy some cake.

We currently have a vacancy for a lunchbreak supervisor. If you or someone you know would like to join our Elm Park team, please contact the school office for more information.

It has been a great term with so many highlights and memorable learning experiences. Thank you for your continued support.

Wishing you all a very relaxing and enjoyable easter holiday.

Sarah Lugg

Reminder

The school gates are open each morning from **8:40 to 8:50am**. Please ensure your child arrives promptly so they are ready to start the day on time.
